

2023-2024 Immunization Data Report Tutorial

For Kindergarten and 6th Grade

Bureau of Immunization Services

ARIZONA DEPARTMENT
OF HEALTH SERVICES

Health and Wellness for all Arizonans

Who Needs to Complete a School IDR?

- All schools in the state of Arizona, including public, private, and charter schools, that **serve children who are in kindergarten or 6th grade**, will need to register for the IDR.
- Schools that are tribal affiliated are encouraged to report their data as well and the department is here to assist you with this process.
- If your school has a before and after school care program, the program should **not** report separately. You do not need to report students who are only at the facility before or after school. Please count all students that are enrolled in your Kindergarten or Sixth Grade only.

Homeschool and Distance Learning Programs

- Homeschooled children and children who are students of distance learning programs (such as online schools) that participate in any activities on a school campus, such as sports, band, field trips, etc., must submit immunization records to that school. They should be included in that school's total count and have their immunization record in compliance.
- Children who are **entirely** home-based and **do not participate in any** activities on a school campus do not need to submit immunization records and do not need to be included in an IDR report.
- Any student out of school temporarily for illness or other reasons should have their records counted and in compliance.

Objectives

Learn how to:

- ✓ [Register and create an account](#)
- ✓ [Select your school\(s\)](#)
- ✓ [Understand & complete the school IDR survey](#)
- ✓ [Understand Immunization Requirements](#)
- ✓ [Tips, Tricks, Scenarios & Questions](#)
- ✓ [COVID-19 and Immunizations](#)
- ✓ [Useful Links and Guides](#)

Getting Started

- Gather immunization records for all Kindergarten and 6th grade students. You will be submitting total counts rather than individual students' records.
- You will need to know the total number of exemptions on file, as well as how many students have exemptions to EVERY required vaccine (exemptions can vary for each vaccination type).
- Go to the IDR web page at:
 - <https://apps.azdhs.gov/IDR>

Registering Your IDR Account

If you are creating the IDR for the first time or are using a different email address, you **must** register **in the app**.

Otherwise, you can skip to [“Selecting Your School”](#).

Note: These slides are for information only. All entry must be done on the IDR web app.

Registration

- If you created an account last year and have the same email address, you can sign in using last year's information.
- If you did not create an account last year, click the word **Register** to create an account.
- **This password is not the same as your ASIIS Password which may also auto populate.**

Selecting Your School

- When you select a school, the page to the right will appear. Please fill out your principal/director's information (even if that is you) and whether or not your school has a nurse. If you do not find your school in the list, please let us know at AZIDR@azdhs.gov.
- Your school's unique ID number and address is populated for you, if we already have the information. You will not be able to edit this section yourself. Sections in yellow can be edited by you at any time.
- If any of the prepopulated information is incorrect or missing, check to make sure you selected the right facility. There may be similar sounding facility names.
- If correct school is selected please contact us with the correct information at AZIDR@azdhs.gov.
- Click **"Save"** when you are done.

- Once you login or create your account, you can add your schools by clicking the **“Add/Remove School”** button on your home page.
- You may need to re-add your school even if you submitted last year.
- This is also how you will **add additional schools** or remove schools from your profile, if needed.

Completing Your Survey

Multiple Reporters? A-OK

- If more than one person will be reporting for your school, you may each add this school to your profiles. You will be able to see who last edited the surveys and when.
- Although more than one person may work on an individual survey, only **one person** may work **at a time**. If someone is already working in the survey you select, you will get a message indicating who is currently working in the survey.

- The section for each survey will remain **gray** until you start the survey. Surveys in progress will turn **yellow**, and SUBMITTED surveys will turn **green**.
- The printable PDFs will become available to you once you have submitted your survey to ADHS. The PDF is for your records only. The printed copy does not need to be sent to ADHS and will not replace the online submission of a survey.
- You can access your report via this portal after you have submitted and up until the IDR closes on November 15th.

KINDERGARTEN SURVEY

NOTE: Please save your entries frequently. You will be logged out for inactivity longer than 60 minutes.

The survey will not be saved automatically. You must click "Save" to save your work.

For ADHS to receive your final data, you must click "Submit to ADHS". You must resubmit every time you make changes.

 Student Count

Do you have 10 or fewer students enrolled in Kindergarten?

Yes

No

- If you have 10 or fewer students in kindergarten or 6th grade at the time of survey completion, you will be able to check the box indicating that you do not need to complete a survey THIS YEAR.
- You will **still need to create** an IDR for your school, even if you need your school to be added.
- You will register or login, select your school, go to the IDR survey, and check the box then hit **“submit to ADHS”**

7. How many students have received at least 3-4 doses with the last dose given at 4 years of age or older?

*

8. How many students have an ADHS medical exemption form on file that **includes lab evidence of immunity** for polio?

*

9. How many students have an ADHS personal belief exemption form or ADHS medical exemption form **without lab evidence** of immunity on file for polio?

*

10. How many students are in a conditional admission/catch-up/minimum interval status for polio?

*

11. How many students DO NOT have up-to-date record of immunization OR valid ADHS exemption form for POLIO?

*

% fully immunized

% in compliance

- Please answer each question as accurately as possible. Read each question.
- **Save your work often.** If you are logged out due to prolonged inactivity, accidentally exit the application, or there is a power failure, you may LOSE unsaved work.
- Saved work can be revisited at any time. You can safely log out and return later if you have saved your work. Please make sure your numbers add up to your enrollment.
- **Catch-Up** scenarios are unique situations where children cannot get vaccinated due to a minimum interval between vaccines. **Not because someone chooses to not vaccinate.**

What does conditional admission/ catch-up/minimum interval mean?

- For immunizations for which more than 1 dose is required, you will be asked how many students are on a “catch-up” schedule.
- This question is referring to students who have had at least one dose, usually late, and are in the minimum interval period before they can receive the next dose.
- For information about minimum interval periods, please see the ADHS [Guide to Arizona Immunizations Required for Entry: Grades K-12](#)
- The catch-up question should NOT include students who have not had at least one dose, students who have an exemption form on file, or students for whom you have no record of immunization or exemption.
- If someone is choosing not to vaccinate their child they're not in a catch-up scenario. This includes those foregoing vaccinations due to COVID-19.
- Another useful tool is the [ADHS Vaccine Catch Up Flow Chart](#)

Once your survey has been submitted, you will be redirected to the home page where you will see a confirmation message and your survey button has turned **green**. The printable PDF will now be available for your records.

All surveys must be submitted online to ADHS no later than **November 15th**! You may continue to make changes until that date. A new survey must be submitted EVERY time you make changes. The IDR will be **unavailable** after **November 15th**. After this date, you will be able to print a copy of your survey IF you submitted it on time. You will not be able to make any changes to surveys after November 15th.

Understanding your Immunization Requirements

What is the difference between fully immunized and in compliance?

- **Fully immunized/coverage** – the percent of student who have received the [required doses](#) for each vaccine type and are up-to-date
 - Target range is **95% and above**
- **Compliance**- the percent of students who either have an [immunization record](#) or a [valid exemption](#) on file
 - Target range is **100%**
- For example: There are 100 students in a class. 80 are fully vaccinated for MMR, 10 are exempt and 10 are not exempt but also are not up-to-date.
 - Coverage: 80/100 are fully vaccinated → **80% fully immunized**
 - Compliance: 90 are either up-to-date OR exempt for MMR → **90% compliant**
- Arizona Revised Statutes 15-871 to 15-874 require all students to be vaccinated to be enrolled in school. The law states students are not allowed to attend and can be removed if they fail to attain the required immunizations or a valid exemption.

Helpful Tips:

- The questions in the kindergarten and 6th grade surveys pertain to ALL children in the grade level, regardless of chronological age.
- 4-year-old kindergarteners must have all required immunizations.
- **Save your work often!!** For security reasons, if you are inactive for 1 hour you will be logged out. Unsaved work will be lost, while saved work will be there when you log back in. There is a 5 minute warning that will appear before you get logged out.
- If you need more than one session to complete a survey, make sure to save before you log out. This will allow you to pick up where you left off.

Questions and Assistance

- If you have any questions or challenges while completing your IDR, please email AZIDR@azdhs.gov. Someone will return your email as soon as possible **during business hours.**
- Remember, your IDR is due **no later than November 15th!** We encourage you to start early. This allows you time to get answers to any questions that you may have and still submit the IDR on time.
